PSAT

Parents and Guardians of South San Francisco High School 11th Grade Students:

Help your students take an important step toward college by helping them sign up to take the PSAT.

The PSAT focuses on skills and knowledge that matter most for college and career success. It improves student outcomes and opportunities by:

- Providing entry into the National Merit Scholarship Program and access to other scholarship opportunities
- Improving participation and performance in Advanced Placement courses
- Identifying students who are falling behind so teachers can intervene

The PSAT will be given at

South San Francisco High School on
Wednesday, October 28, 2015
The cost of the test is $20.00

Please see Ms. Tucker in the counseling office to sign up and pay your fee by
October 16, 2015.
